In the center of the circle is a black compass rose with the letters "EB" in white. The years "EST. 1913" are written in small black text on either side of the compass rose.

EBAC Varsity Tennis Spring/Summer Report by Stanley Niezricki (via email)

The Varsity Tennis team completed it's Spring/Summer season after competing in the regional Thames Valley Tennis League. The league is comprised of some of the best tennis players in the Southeastern CT and Westerly, RI area. Each team match included one court of singles and three courts of doubles. The team ended the regular season in 3rd place with a 31-17 record. In the playoff semifinals the team tied in matches and sets against their Conn College team opponents. To determine which team advanced to the finals a sudden death tiebreak was required. After a nearly 3 hour singles match won by EB's Ryan Teixeira, he unfortunately lost the tiebreak that was played in nearly complete darkness.

EBAC Cycling Club Report by Miles Whitford

The road cycling club is continuing weekly rides with 15-20 riders each week. With fall weather incoming, the Tour de Donuts will be starting up where rides will be making a stop at apple cider donut establishments each week for a mid-ride carb boost. In the coming weeks, the ride start will be moved up from 4:30 pm to 4:00 pm to account for the earlier sunsets. The mountain bike club is conducting business as usual with dusting off and charging up their headlights for the darker rides of fall and winter.

We are finishing the outdoor shooting, as winter is getting ready to set in. We will be moving indoors to keep the fun going. We are looking at a few shooting options for the indoor season IE: archery Tic Tac Toe, Darts, and cards...

EBAC Disc Golf League Report by Aaron Logue (via email)

EBAC Disc Golf is currently playing the 8th out of 10 weeks of our Summer and Fall season. Everyone has been enjoying the best-shot doubles format, and we're all looking forward to the concluding two weeks of playoffs immediately following the 10th week. Andrew Crouch, the former EBAC Disc Golf League commissioner, is organizing our banquet this year. We'll be doing something different than previous years. This time around, we'll be having attendees participate in a glow in the dark "ace race" where each player will try to ace (hole in one) as many holes as possible on a short 9-hole course. We're always looking for new members, so if you know anyone looking to get into disc golf in a casual or competitive setting, let me know!
