[EBAC Archery Club](#)

The EBAC 3-D Archery Club is seeking new members. Due to the seemingly never ending barrage of Northeasters in March, the membership window has been extended. The Archery club shoots twice a month on Sunday mornings. Archers should be prepared to commit 4 hours to shoot every other Sunday. It costs \$10/wk to participate in local 3-D archery shoots, and our tournaments are generally within a 30 mile radius of Groton. The Archery Club uses a handicapped scoring system to even the playing field between beginners and experienced shooters, compound bows and recurves. The first half of the tournament season consists of eight tournaments between March and June. There will be a three week break between halves, and the second half will consist of eight tournaments between July and October. If you miss a tournament, any other make up scores are accepted, as long as it is shot within the same calendar month as the missed event. Exception will be made for inclement weather, travel and vacations.

Sunday April 15th is an [Archery Club](#) activity. The Archery Club will meet at Narragansett Bow Hunters at 9:00 AM with an anticipated on the course start time of 9:30 AM. There are three other local 3-D shoots on the schedule for this weekend, as well.

Host Clubs	Date	Registration Times	Notes
Ashaway Sportsmen's Club	April 15th	7:00 AM to Noon	
Narragansett Bow Hunters		7:00 AM to Noon	
Niantic Sportsmen Club		7:00 AM to Noon	
Rockville Fish and Game Club		7:00 AM to Noon	

Contact Michael Sellers at msellers@gdeb.com (860) 433-4935 to join the club, or If you have any question or concerns.

EBAC Cycling Club

2018 Tour de Cure

General Dynamics is looking for cyclists to help support the American Diabetes Association's efforts to stop diabetes by joining the 2018 Tour de Cure which will start at the University of Rhode Island on Sunday, June 3rd, 2018. Last year 26 cyclists from many disciplines at EB raised money and road for this fantastic cause. This year EB President Jeff Geiger has joined the team so with your help, we will be able to demonstrate EB's growing commitment to the American Diabetes Association. Please click [here](#) for additional details.

Road Rides

Road rides are expected to start on March 27th and are in either New London or Groton depending on the week, generally meeting at 4:15PM and leaving by 4:30PM. The ride schedule and all route information is posted on the EB cycling website (http://www.ebac.us/cycling/ebac_cycling_club.html) If you are interested in joining the weekly road rides or have any questions please contact Thomas Provencher (tprovenc@gdeb.com), Greg Niles (gniles1@gdeb.com), or Thomas McColl (tmccoll@gdeb.com). The current ride calendar posted on the website is for last year and will be modified soon, but in the interim, it can be used as a guide to get a feeling for the types of rides the club does. If there is sufficient interest, a "B" group may also be formed for those people not yet ready for the distances the rest of the group will be riding.

Off-Road Rides

There is not yet a solid off-road ride schedule as interest needs to be gauged first. However, one possible option will be to join the Saturday morning ride at Bluff Point hosted by the New England Mountain Bike Association (NEMBA) and Pat, the owner of Wayfarer Bicycle, the New London bike shop. This is an active and well-established no-drop-ride. Pat leads the rides and is a good coach for those people who want to learn more about how to ride in the woods. You do not have to be a member of NEMBA to join the rides, but I encourage you to join if you can. NEMBA is an advocacy group which is working hard to ensure trail access is maintained and, where possible, expanded, for mountain bikers by working with local land managers and promoting good trail use habits (<http://www.nemba.org/chapters/sectnemba>). If you are interested in the off-road rides or have any questions please contact Thomas Provencher (tprovenc@gdeb.com).

EBAC Ski and Snowboard Club

END OF SEASON BANQUET!
